## Update regarding Corona virus, Covid-19

Veddige 2020-12-08

To our customers

As the virus is continuing to spread through the world, the management of Eson Pac continue to follow the situation closely. We have taken internal measures to limit the risks in our factories and offices by a number of guidelines designed in line with recommendations in our respective countries where we operate. We also continuously adjust our guidelines when needed.

Many businesses and people around the world, are being affected by this Covid-19. At present, we are grateful that Eson Pac is only mildly affected by this pandemic. This allows us to continue to serve our customers at a good level. We have no disturbances that affect our lead-times. We are happy to continue to supply our customers with essential packaging material for the Pharma industry.
