Summer vacation information!

Many businesses and people around the world are being affected by Covid-19. At present, we are grateful that Eson Pac is only mildly affected by this pandemic. This allows us to continue to serve our customers at a good level.

Summer is getting closer, and due to planned reduced capacity during the vacation period, we encourage you to plan for your need of products from Eson Pac as soon as possible.

Maintenance and cleaning will take place when our co-workers will have some well-deserved time off. Our production sites will be closed during week 29 and 30 and having reduced capacity two weeks before and after the closing period.

We will keep Support functions available during the summer period.

We wish you all to stay safe and healthy!
